It is the duty of the Legislative Counsel to assist the members of the Legislature, upon request, in the drafting and amendment of bills and resolutions.

He must prepare or assist in the preparation or amendment of legislative bills at the suggestion of the Governor or of any judge of a court of record or of any committee of the Legislature.

Upon request, he shall advise any State officer as to the preparation of bills to be submitted to the Legislature.

When requested so to do, he shall cooperate with any legislative committee appointed to carry on investigations between sessions of the Legislature.

It is his duty to advise the Legislature from time to time as to needed revision of the statutes and to present to each session of the Legislature a statement calling attention to laws which have been repealed by implication or which have been declared unconstitutional by the courts, but which have not been expressly repealed.

STATE LIBRARY.

LEGISLATIVE REFERENCE SERVICE.

Information on pending legislation and assistance in consulting the laws of other states and countries are given members by the Law and Legislative Reference Department of the California State Library, third floor of the State Library Building.

Bills and journals of previous sessions of the California Legislature, reports of State departments, the statutes and court reports of other American states, the United States, Great Britain, Canada and Australia and compiled laws on a wide variety of subjects are available for use. The bills of current sessions of the more important state legislatures and the bills, reports, calendars and proceedings of the current session of Congress are also on file.

GENERAL SERVICE.

The other departments of the State Library are ready to serve the legislators and their families through the Reference Department located on the third floor of the State Library Building.
